Dear Mr. Hobson:

The U.S. Environmental Protection Agency Region 4 office has reviewed the Revised Final Remedial Plan (the Plan), including its associated Quality Assurance Project Plan (QAPP), that New-Indy Catawba, LLC d/b/a New-Indy Containerboard (New-Indy) submitted in accordance with Paragraph 52.d. of the Clean Air Act Section 303 Emergency Order (Order) that the EPA issued to New-Indy on May 13, 2021. The EPA is hereby approving the Plan as amended to address the enclosed comments on the QAPP for the onsite hydrogen sulfide fence-line monitoring.

Pursuant to Paragraph 52.e. of the Order, New-Indy shall act in accordance with the Plan as amended as soon as possible but in no more than five (5) calendar days after receipt of this approval. Please revise the QAPP to address EPA's comments and resubmitt the revised version to the EPA as soon as practicable but no more than five (5) calendar days after receipt of this approval.

If you have any questions regarding this matter, please contact Kevin Taylor at (404) 562-9134 or at taylor.kevin@epa.gov.

Sincerely,

Todd Russo
